Notice to Subscribers.

During the past week we have carefully re arranged our Daily routes, by which the accounts will be more accurately kept and there will be less liability of subscribers failing to receive their paper at an early hour each morning. A few we notice are delinquent, some to a considerable amount. These we ask to be prepared to pay the amount due, and commence square with this quarter. We intend henceforward to do a strictly cash business, in fact the times com pel us to do so, and we hope our patrons will be ready on each Saturday morning, on the call of our carriers, to pay the small sum that is charged. If any wish, they can pay for one quarter in advance, (\$1,25) and thus avoid the trouble of making change each

Capt. Tom Handy has recruited a splendid company at Marshall, Ill., and will start for camp next Tuesday.

DISPATCHES BY THE WESTERN UNION LINE

FROM NEW YORK. NEW YORK, August 1 .- Yesterday orders were somewhat unexpectedly received at the Brooklyn Navy Yard to put two United States vessels in commission at once. Accordingly the brig Bainbridge and steamer Vixen were commissioned.

It is said that the new iron-sides iron-clad frigate now almost fluished at Philadelphia, with sealed orders. To-morrow all her officers have been ordered to report at once. Henceforth po unnaturalized alien is to be employed in any Navy Yard in the Union All persons seeking employment must before they are accepted, produce certificates of naturalization. This order is simed at a large class of foreigners, who like to get Government money, but threaten to remain under British or other foreign protection .-If compulsory military service is demanded of them, if carried out it will re alt in the discharge of some 600 men at the different

> SPECIAL TO THE TRIBUNE. Col Loomis, Adjutant General of Illinois, is here to obtain arms for the ten regiments called for from that State. He says that the ranks of nine will be full by the time arms reach them.

> Reports from Indiana, Vermont, Massachusetts and New Jersey are particularly encouraging. Other States are doing better than supposed. Several of the heads of De partments have been in for drafting, even since the call for 300,000 more men was issued. Others however are known to be strongly opposed to this step. The probabilities would seem to be that no system of adopted, but that every Governor who asks for it will receive authority to draft.
